BULK - B12B20

Three orange cones (part no. 235-3) are included with all models.

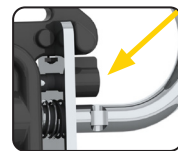

BULK- B26B20

COMPARE THE B-LINE FEATURES WITH ANY OTHER DISPENSING TOOLS.

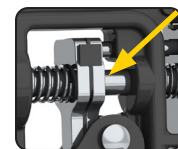

LONGER TOOL LIFE

Adjustment screw technology increases the life of the gun, as the tool wears you can adjust the screw to eliminate wasted motion.

INCREASED DURABILITY

The legendary double gripping plates and steel trigger means increased durability. If dropped, it won't break!

STEEL BARREL DESIGN

Like Albion's top line tools, the steel barrel will improve the ability to clean, is rugged, and commonly accepted in the bulk application tools.

INCREASED EFFICIENCY

Albion's improved pump efficiency helps get the job done quicker. It takes fewer pumps to empty a cartridge, resulting in more efficient hand motion.

LEATHER PISTON CUPS

Legendary design, the only material which we have found that withstands a wide assortment of materials unlike synthetic pistons.

CUSTOMIZABLE

Accepts all Albion bulk and sausage gun accessories. Including Albion's top line cone nozzle (235-3) and Angle shot nozzle (935-3).

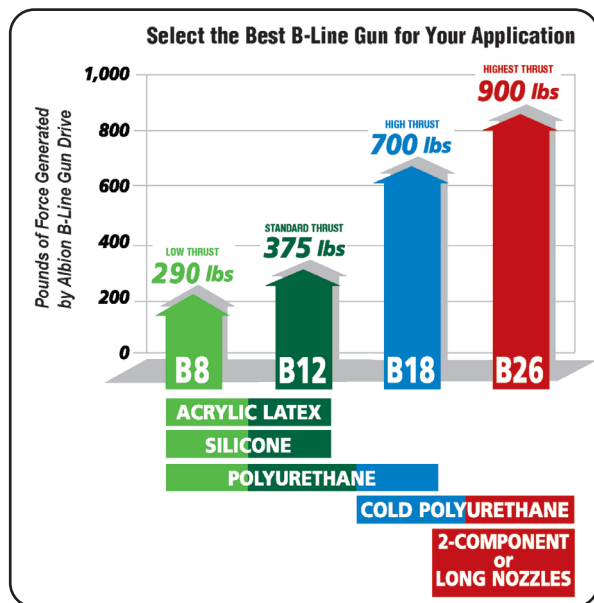

LOADING SLEEVE & FOLLOW PLATES

Are designed to improve loading the tool and keeping material in the pail from skimming over.

For more information on our products and services visit www.albioneng.com or call 856.235.6688 to request the latest issue of our "Handbook & Catalog 333".

The integration of Albion's legendary quality with state-of-the-art engineering means that our B-Line tools surpass in value and durability!
