Bulletin 431

NEW

200Z B-LINE SAUSAGE GUN WITH PICATINNY RAIL MOUNTS AND INTEGRATED HOOK

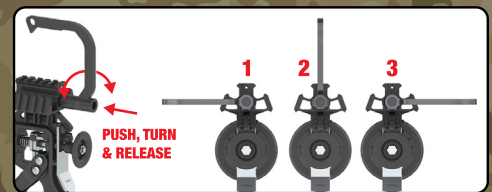

Available Now! Scan QR code to learn more.
PATENT(S) PENDING

- Same great features as our market-leading B12S20, with added benefits.
- Picatinny Rail Mounts are located on the front cap and the drive, both rail mounts are compatible with Picatinny rail accessories, such as flashlights, camera mount, and much more. **Flashlight not included.*
- Integrated Hook rotates and locks into 3 convenient positions allowing the tool to hang safely on a ladder or swing stage. Folds away for easy storage.
- Quick Disconnect mechanism allows for sling/tether attachment. Which secures the tool to be carried over the shoulder or across the body.

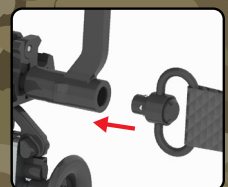

INTEGRATED HOOK

MOUNTING RAIL

QUICK DISCONNECT

Albion offers the most options for dispensing sausage packs. Models available in Manual, Cordless and Air Powered!
